ORDER.—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. All goods travel at purchaser's risks. We assume no responsibility for the goods after delivery to the forwarding companies.

When losses occur by delays in delivery, claims should be made at once on the forwarding companies.

CLAIMS, to receive consideration, must be made **within ten (10) days of receipt of goods.**

While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace on proper proof, all that prove untrue, **we do not give any warranty, expressed or implied;** and in case of an error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. Beyond that we can give no further warranty, as we cannot control planting conditions, weather and after-care.

PACKING.—All plants are carefully packed in boxes or bales, which are charged for at cost.

RATES.—The prices in this list supersede all previous rates, and apply to quantities specified. We sell five plants of the same kind at the ten rate, and twenty-five of the same variety at the hundred rate. Specimens personally selected by the purchaser or his representative (or specially selected by us at the request of the purchaser) will be priced according to individual values.

This Price List cancels all previous lists, and prices are subject to change without notice.

TERMS, CASH WITH ORDERS, except to such persons as satisfy us as to their responsibility. Bills are due when presented and interest will be charged at the rate of six per cent on bills remaining unpaid December 1 in fall and June 1 in spring.

A Certificate of State and Federal Inspection will accompany each shipment.

Address all communications to office.
